

# Silver Sands

Silver Sands takes a stylistic and elegant approach, with designs crafted from durable aluminum in a soft gray Oyster Shell finish. Hand-applied dry brushing gives the surface an artisan look that is unique to each piece. Graceful curves, intersecting lines and refined fretwork patterns highlight deep seating and occasional silhouettes, while table tops feature intricate designs in cast aluminum. The soft gray finish offers a sophisticated backdrop for performance fabrics with dramatic patterns and vibrant colors for a fresh transitional look.
