

Los Altos Valley View

Los Altos Valley View offers a global view of casual transitional design, blending the visual interest of Southwest styling with elements like natural Mactan stone and unique woven patterns that emulate natural banana leaf from the tropics. The custom finish on aluminum is dry-brushed by hand with layers of color that emulate the rich aged patina on wood.

Dining and occasional pieces feature thick aluminum tops with intricate patterns and softened edges. Occasional tables showcase a textured aluminum surface that translates as wood grain with remarkable effect.

Deep seating designs, including a versatile sectional, offer a variety of options for elevating the look of any outdoor living space with the signature style of Tommy Bahama.
