

Seabrook

The Seabrook collection offers an entirely new take on casual outdoor living, with breezy transitional designs in a captivating oyster white finish. Durable aluminum frames are paired with a unique herringbone pattern of all-weather wicker in rich tones of ivory, taupe and gray. Blending these shades in the wicker creates the opportunity to use both cool and warm color palettes in the application of performance fabrics. Artistic white glass tops, with tone-on-tone patterns in the glass, add a contemporary flair to the occasional assortment. Seabrook is comprised of 34 pieces, with designs generously scaled for larger outdoor living spaces. The assortment includes bistro and large-scale dining, occasional tables, deep seating, and a customizable sectional.
