

# Pavlova

With designs highlighted by sweeping contours and graceful lines, the Pavlova collection offers a fresh interpretation of classic contemporary styling.

Aluminum frames feature a sophisticated, lightly textured graphite finish, while table tops offer an elegant contrast, with surfaces that emulate the look and feel of honed limestone.

The collection includes an array of deep seating designs, small and large scale dining, bistro sets, bar and counter stools and a striking assortment of occasional tables.

Clean architectural lines and timeless styling blend to create an aesthetic that transforms an outdoor living space into a haven for entertaining family and friends.
