

# Isle of Palms

Featuring soft transitional lines and touches of Mid-Century styling, designs in Isle of Palms feature a captivating marriage of sustainably sourced teak with woven elements in a sophisticated light mocha coloration. The woven frames offer textural dimension while grounding the designs with an organic sensibility. Natural teak is finished with a protective sealer to maintain its color, while occasional tables feature beautiful White Agate stone tops with a protective sealer. The look highlights the understated elegance of blending clean lines and diverse materials to create a fresh and modern approach to casual contemporary living.
