

CAMBRIA

NATURAL COLOR STORY

Designed for outdoor entertaining with class, the Cambria Collection offers the perfect backdrop for hosting a garden party. Solid teak wood in a weathered teak finish pairs with handwoven textured resin weaves in a latte tone to create a classic design that puts the spotlight on its natural mix of materials and textures. Available in dining, lounge, occasional, and deep seating silhouettes, the Cambria Collection blends classic, coastal elegance with durable and organic materials to create a charming and inviting outdoor space that welcomes hours of leisure and entertaining.
