

CABO

ESPRESSO COLOR STORY

Characterized by extra generous comfort and scale, the Cabo Collection was designed to bring luxurious resort-style outdoor furnishings home. Crafted with handwoven full round resin wicker, extra wide track arm silhouettes pair with ultra-plush cushions to create deep seated, casually elegant comfort. Designed with wide, knife-edge flange details, the “cloud-like” seat deliver an uber-comfortable, relaxed blend of modern sophistication and serene luxury. The group is rendered in a rich Kaluah finish, with coordinating dining and occasional tables in hand sanded, solid teak wood.
